

"Embracing the Journey:
An Advent Reflection on
Hope, Faith, and Joy"

ADVENT BY CANDLELIGHT

Thursday, December 5, 6-9pm

St. Thomas of Villanova, Harten Hall

The evening includes a catered dinner, speaker
and a time to gather with friends.

In this Advent talk, Catholic Author and Speaker
Dr. Anne DeSantis, will guide women on a
reflective journey, exploring the deeper meanings
of hope, faith, and joy during this sacred season.
Drawing on themes from *Walking with Purpose*, she
will offer practical ways to live out these virtues in
everyday life, fostering a deeper relationship with
God and one another.
